### QUALITY POLICY STATEMENT

King Vehicle Engineering (the 'Company') aims to provide defect free products to its customers on time and within budget.

The management is committed to:

1. Developing and improving the Quality Management System
2. Continually improve the effectiveness of the Quality Management System
3. The enhancement of customer satisfaction

The management has a continuing commitment to:

1. Ensure that customer needs and expectations are determined and fulfilled with the aim of achieving customer satisfaction
2. Communicate throughout the Company the importance of meeting customer needs and all relevant statutory and regulatory requirements.
3. Establish the Quality Policy and its objectives
4. Ensure that the Management Reviews set and review the quality objectives, and reports on the Internal Audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System
5. Ensure the availability of resources

The structure of the Quality Management System is defined in the Quality Manual.

All personnel understand the requirements of this Quality Policy and abide with the contents of the Quality Manual.

The Company complies with all relevant statutory and regulatory requirements.

The Company constantly monitors its quality performance and implements improvements when appropriate.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.

Copies of the Quality Policy are made available to all members of staff. Copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.
